O R D E R

Magoffin Gas Company, Inc. ("Magoffin Gas") is a local distribution company under the jurisdiction of the Public Service Commission. On February 9, 1993, Magoffin Gas was ordered to appear at a hearing scheduled for April 15, 1993 for failure to comply with 807 KAR 5:006 and 807 KAR 5:022. Attached as Appendices to that Order were two inspection reports from the Commission's Division of Engineering, each of which cited the same six violations.

In its November 11, 1993 Order, the Commission scheduled an informal conference for November 30, 1993 to discuss with Magoffin Gas its failure to comply with Commission regulations. Magoffin Gas requested and was granted an extension of time, and on February 18, 1994, an informal conference was held between Magoffin Gas and Commission Staff. During the conference, Magoffin Gas agreed to implement an anti-drug program for its employees to comply with 807 KAR 5:023, and Magoffin Gas filed a copy of the anti-drug program with the Commission on March 21, 1994.

After a review of the record and being otherwise sufficiently advised, the Commission finds that Magoffin Gas has corrected the known deficiencies and this case should be dismissed.

IT IS THEREFORE ORDERED that the case be and it hereby is dismissed.

Done at Frankfort, Kentucky, this 27th day of April, 1994.
